### 3. HAZARDS IDENTIFICATION

**Emergency Overview:** May irritate the skin. May cause moderate eye irritation. Gross inhalation overexposure may cuase: Central nervous system depression with dizziness, confusion, incoordination, drowsiness or unconsciousness or death. Avoid breathing vapors. May be fatal if inhaled.

| 4. FIRST AID MEASURES |   |  |  |  |  |
|-----------------------|---|--|--|--|--|
| Eye Contact:          | In case of contact, immediately flush eyes with plenty of water for at least 15 minutes, occasionally lifting the upper and lower lids. Seek medical attention if irritation persists. If material is hot, treat for thermal burns and take victin to hospital immediately.   |  |  |  |  |
| Ingestion:            | If swallowed, do NOT induce vomiting. Call a physician immediately. Never give anything by mouth to an unconscious person.  |  |  |  |  |
| Inhalation:           | , if inhaled, remove to fresh air. If not breathing give artificial respiration, preferably mouth-to-mouth. If breathing is difficult give oxygen. Get medical attention.   |  |  |  |  |
| Skin Contact:         | Wash with soap and water. Remove contaminated clothing and launder before reuse. If irritation persists or signs of toxicity occur, seek medical attention. If product is injected into or under the skin, or into any part of the body, the individual should be evaluated immediately by a physician as a surgical emergency. |  |  |  |  |

#### 5. FIRE FIGHTING MEASURES

| Flammable Properties                       |  |
|--|--|
| Flash Point °F(°C):                        | >350 F   |
| Flash Point Method:                        | TAG Closed Cup   |
| Flammable Limits in Air - Lowe             | r (%): Not Determined  |
| Flammable Limits in Air - Upper            | r (%): Not Determined  |
| Autoignition Temperature °F(°C             | ): Not Determined  |
| Extinguishing Media:                       | Foam. Water. Dry chemical.   |
| Protection Of Fire-Fighters:               |  |
| Special Fire-Fighting Procedure            | Wear approved positive-pressure self-contained breathing apparatus and protective clothing. Do not direct a solid stream of water or foam into hot, burning pools; this may cause frothing and increase fire intensity.                              |
| Hazardous Combustion Produc                | ts: Fumes and Smoke. Carbon Monoxide.  |
| Aerosol Comments:                          | Not Applicable   |
|  | 6. ACCIDENTAL RELEASE MEASURES   |
| Personal Precautions:<br>Spill Procedures: | Wear appropriate protective clothing and equipment to prevent skin and eye contact.<br>Contain any liquid from leaking containers.<br>Wear proper protective equipment as specified in the protective equipment section. Remove sources of ignition. |

### 12. ECOLOGICAL INFORMATION

Ecological testing has not been conducted on this product.

#### 13. DISPOSAL CONSIDERATION

Waste Classification: Not determined.

Waste Management: Not determined.

Disposal should be made in accordance with federal, state and local regulations.

#### **14. TRANSPORTATION INFORMATION**
